

PRODUCT DATA

Rental Programme

As an alternative to purchasing equipment, or to protect your investment and avoid down-time during repair or calibration, Brüel & Kjær's Rental Programme allows you to rent a limited range of equipment for a period of 2 weeks, 4 weeks, or longer.

Why Rent a Product?

The main customer benefits of rental:

- Avoid loss of productivity when your own equipment is undergoing repair or calibration
- Avoid purchasing expensive investment, for example, if you only have few measurement per year
- No unexpected costs
- You can offer more services to your customers
- You can offer a wider range of products

Equipment

- All Brüel & Kjær rental equipment is regularly calibrated by Brüel & Kjær Service Centre
- The calibration certificate is on file
- The calibration certificate can be delivered at an additional cost
- All equipment is thoroughly checked to ensure that it is working correctly

How to Rent?

- Contact your local Service Centre and order the equipment
- When you have signed the rental contract you will receive the equipment as soon as possible
- Return the equipment no later than three business days after the rental expires

Price of Rental?

The price of rental is based on the price of the Brüel & Kjær equipment to be covered by this service and is determined by the current list price.

Conditions and Exclusions

- Microphones and accelerometers are only available for rent as part of a system
- A limited range of goods are offered; contact your local Service Centre for more information

- You must sign a rental contract with Terms and Conditions
- All freight costs are to be paid by the customer

Option to Buy

- As the customer, you have first refusal on purchase of the rented equipment. Please contact your local sales office for further information.

Additional Options

For an additional charge, Brüel & Kjær can:

- Set up the equipment on site to meet your requirements
- Provide the necessary training in the use of the equipment
