

WORK SMARTER WITH ONLINE CALIBRATION DATA

The illustration shows a person's head and hands in green outline, interacting with a laptop. A microphone is connected to the laptop. A green line connects the laptop screen to a screenshot of the Brüel & Kjær website. Another green line connects the laptop to a physical calibration certificate. A green microphone is also shown in the background.

My instruments

Add instruments to your instrument list, see calibration status, easily book calibrations, find measured production sensitivities, download calibration certificates and calibration charts.

If your login is already registered with Brüel & Kjær, the list of your instruments will be listed here automatically (if not, you will be recognized after your first order). If we are missing some instruments, you may add them manually.

Calibration due date

Red - this instrument is overdue for calibration

Orange - the instrument is due for calibration within a month

This service is currently available in **Denmark and Sweden**.

PRIME

SMARTER, FASTER, MORE EFFICIENT

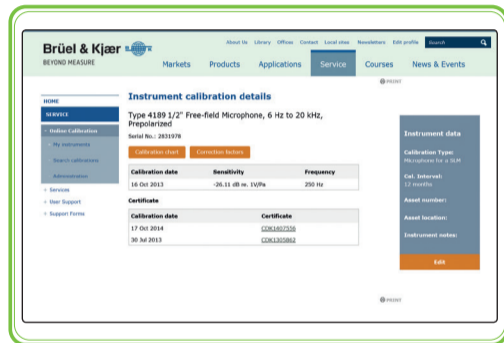

For instant data access, all you have to do is login to your Brüel & Kjær profile at bksv.com/calibrationdata

WHEN YOU DO, YOU'LL IMMEDIATELY GAIN EASY ACCESS TO ALL DATA IN ONE LOCATION:

- An instant overview of hardware assets
- Calibration certificates
- Calibration chart

- Faster ordering of new calibration
- Easier access to correction curves

Please note that if your company has more than one location with Brüel & Kjær equipment, each site has its own administrator. Transparency across sites within a company will be enabled in the future.

The screenshot shows the Brüel & Kjær website interface for instrument calibration details. The page title is "Instrument calibration details" and the instrument is identified as "Type 4189 1/2" Free-field Microphone, 6 Hz to 20 kHz, Prepolarized" with serial number "2831978".

Key data points from the screenshot:

- Calibration date:** 16 Oct 2013
- Sensitivity:** -26.11 dB re. 1V/Pa
- Frequency:** 250 Hz
- Calibration certificate:** CCK1407516 (dated 17 Oct 2014) and CCK1305862 (dated 30 Jul 2013)

The interface includes navigation tabs for HOME, SERVICE, and Administration, and a sidebar with options like "My instruments", "Search calibrations", "Services", "User Support", and "Support Forms".
