

BRÜEL & KJÆR WEEE INFORMATION

According to varying national legislation Brüel & Kjær legal entities are registered as producer/importer of EEE (Electrical and Electronic Equipment) in many countries with the obligation of:

- reporting monthly/quarterly/yearly sales of EEE,
- payment of waste handling fee corresponding to sales, and
- taking back waste Brüel & Kjær equipment (with "crossed-over garbage bin"-label) or waste equipment (any brand) to be replaced by new Brüel & Kjær equipment

For further information please [contact your local Brüel & Kjær Sales Office.](#)
